

# TINY TIM AND FRIENDS

## We Need Your Support!

Tiny Tim & Friends (TTF) has changed lives and given hope to hundreds of children in Zambia. But to continue, we need your help and support. Please join us in our mission to make a difference by providing medical, educational, vocational and nutritional support to children with HIV/AIDS, as well as the countless number of vulnerable children who remain unchecked or untreated.

### **VOLUNTEER**

There are numerous ways to volunteer for TTF, and you don't have to travel all the way to Zambia to do so! Below is a list of volunteer activities which have proved successful in the past. Please let us know how we can support you in raising awareness of HIV/AIDS and Tiny Tim and Friends!

- Host a garage sale.
- Contact your local bookstore to setup a Free Holiday Wrapping booth with a donation basket available. In previous years TTF has partnered with Barnes & Nobles.
- Work a sporting concession booth with all proceeds donated to TTF. Volunteers at Montana State University raised \$6,000!
- Schedule a Lock-In through your church or school. In 2007, Orono High School raised \$5,000 in donations!
- Organize art and music events. Volunteers in Germany annually organize a rock concert and raise more than \$1,000.
- Engage students through classroom projects. Students at Brigham Young University authored a campus joke book raising \$10,000!

### **DONATE**

We deeply appreciate your support. No matter how big or small, your contribution will make an immense difference in the lives of the many Zambian children supported through TTF. Please mail donations to:
